Subject: Permit Transfer Deficiency - Hidden Valley and Emery Deep

John - As far as the information for C & P Coal, the Department of Commerce has Ann S. Peper as a Director and Treasurer of C & P (I can fax that information to you, if you like). The application states that Brent Davies owns it 100%. We should still have the information for Ann for AVS. Please supply this information. A family tree for C & P would be helpful.

Any questions, please call me. Pam
